Disappointed in Village Board for their decision in cutting police personnel funding in the 2012-2013 Budget - Police personnel services was cut approximately \$9,000.00 from last years budget which in my opinion is dangerously irresponsible and jeopardizes the ability for me to staff police personnel appropriately to assure responsible police coverage for our Community. I also feel that revenue generated from activies conducted by officers that were on shifts subject to elimination will also be greatly affected and not be in the best interests of the residents we serve.
