Sal Squadron 892 Minutes October 29, 2014

The meeting with 11 members and Post Commander Phillips present was called to order at 7:00 PM by Commander John Keim. Salute to the flag, reciting of the SAL preamble and a prayer was said by Chaplain Wood.

The previous minutes were read by the Adjutant and a motion to accept as read was made by Gary Phearsdorf and seconded by Mike Mooney and approved by vote of those members present.

A financial report was given by the Finance officer. Motion to accept by Mike Mooney and seconded by Archie Wood and approved by vote of those present.

Membership report. As of today's date we have 53 paid up members for 2015.

Old Business:

The Clambake report was given, Even though we didn't sell out we had 131 ticket holders come A good time was had by all and we want to thank all the people who helped with the event.

The pad for the cooler/ freezer has been poured and an opening has been cut in the wall in the kitchen. We are just waiting for the delivery of the units, so they can be setup and put into operation.

New Business:

The 20 week club tickets are in and ready to be distributed and sold. Any unsold tickets should be turned back in by the 2nd week in December.

The double door freezer that was donated to us for the kitchen will (when the new units are up and running) no longer be needed. This unit cannot be sold but must be donated. So if anyone knows of a non profit organization which could use it let us know.

The addition of the Wounded Warrior project and the Leek Foundation were discussed and a motion was made by Mike Mooney seconded by Lynn Lippert to include them on our yearly donation list. This was passed by vote of those present.

We are still researching either credit or debit cards, it looks like the debit cards through the Community Credit Union might be our best bet. More information will be forthcoming.

A motion was made by Mike Mooney seconded by Archie Wood for one of the prizes we were given for the golf tournament to be donated to the Coda Hartburg benefit to help acquire money for a scholarship in his name. This was passed by vote of those present.

November 11 is the Boy Scout spaghetti dinner. Help is always appreciated in helping us prepare the food.

Donations:

The following donations were voted on and approved by those members present:

- Allegany Youth Football
- Southern Tier Childrens Services
- Christmas In Allegany
- Food Pantry

Two Amendments were proposed:

1. Our meetings should be held on the 4th Wednesday of the Month instead of the last Wednesday
2. Members 70 years old or older with at least 5 years of continuous membership would be given lifetime memberships paid for by the Squadron.

These were proposed by John Keim and Seconded by Tom Lippert and approved by unanimous vote of all members in attendance.

Due to a technical error, the Auxiliary news is not available this month.
