PURCHASING POLICIES AND PROCEDURES

THIS RESOLUTION SETS FORTH THE POLICIES AND PROCEDURES OF THE VILLAGE OF ALLEGANY TO MEET THE REQUIREMENTS OF GENERAL MUNICIPAL LAW, SECTION 104-b.

Purpose

Goods and services that are not required by law to be procured pursuant to competitive bidding must be procured in a manner as to assure the prudent and economical use of public moneys in the best interest of the taxpayers, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances, and to guard against favoritism, improvidence, extravagance, fraud and corruption. To further these objectives, the governing board is adopting an internal policy and procedures governing all procurements of goods and services which are not required to be made pursuant to the competitive bidding requirements of General Municipal Law, section 103 or of any other general, special, or local law.

Procedures for Determining Whether Procurements are Subject to Bidding

The procedures for determining whether a procurement of goods and services is subject to competitive bidding and documenting the basis for any determination that competitive bidding is not required by law is as follows:

\$1-3,000	At the discretion of the Board and/or Department Head.
\$3,001-10,000	At the discretion of the Board and Department Head (may be verbal).
\$10,001-19,999	Written quote from at least 2 separate vendors (if available).
\$20,000 and up	Sealed bids in conformance with Municipal Law, Section 103.

Proper documentation is required when the quote is not awarded to the vendor giving the lowest price. Quotes will be awarded to the lowest responsible and responsive vendor.

Statutory Exceptions to Quotations/Proposals Requirements of This Policy and Procedures

Except for procurements made pursuant to General Municipal Law, section 103(3) (through certain county contracts), section 104 (through certain State and Federal contracts), State Finance Law, section 162, Correction Law, sections 184 and 186 (from “preferred sources,” including articles manufactured in correctional institutions), or the items excepted herein, alternative proposals or quotations for goods and services shall be secured by use of either written requests for proposals, written quotations, verbal quotations or any other method of procurement that furthers the purposes of the General Municipal Law, section 104-b.

As an alternative to soliciting competition individually or through cooperative purchasing arrangements, the village may “piggyback” on contracts that have been extended to local governments by certain other governments.

Procedures for Public Work Projects/Contracts

\$1-5,000	At the discretion of the Board and/or Department Head.
\$5,001-10,000	At the discretion of the Board and Department Head.
\$10,001-20,000	Documented telephone quotes from at least 3 separate vendors (if available)
\$20,001-34,999	Formal written Request for Proposal with a response from at least 2 vendors and if possible 3 vendors.
\$35,000 and up	Formal sealed bids in conformance with Municipal Law, Section 103.

In all circumstances, whenever other than the lowest quote is awarded, there must be written documentation of the reason for the award.

UNDER NO CIRCUMSTANCES CAN A QUOTE THAT EXCEEDS THE BID LIMIT BE AWARDED.

Professional Services

Professional services generally include services rendered by attorneys, engineers, and certain other services requiring specialized or technical skills, expertise or knowledge, the exercise of professional judgment or a high degree of creativity. In addition, insurance coverage (e.g, health, fire, liability, and workers’ compensation) is also not subject to competitive bidding requirements.

\$1-10,000	Annual charge will be at the discretion of the Department head and with the approval of the Board.
\$10,001-19,999	Prices will be obtained by formal written quotes from at least 2 sources and the award will be made at the discretion of the Department Head and with the approval of the Board.
\$20,000 and up	Prices will be obtained by Formal Request for Proposal, with the award of contract being made by the Board.

Awards to other than the lowest proposer must be properly documented with the rational/reason for the rejection of the lowest price.

Any and all procedures not specifically covered in this policy will be adhered to as covered in General Municipal Law, Section 104-b.

An emergency exists wherein the delay caused by soliciting quotes would endanger the health, Welfare, or property of the municipality, or more important the individual taxpayer, then the procurement of goods or services will be at the discretion of the property department head with documentation as to the nature of the emergency and shall be sent to the Governing Board, within five (5) working days of such procurement.

Input From Board

Comments have been solicited from the Board of Trustees of the Village of Allegany in the procurement process prior to the enactment of this policy and procedures, and will be solicited from time to time hereafter.

Annual Review

The Board of Trustees shall annually review and, when needed, update this policy and procedures.

The Mayor shall be responsible for conducting an annual evaluation of the effectiveness of the procurement policy and procedures and an evaluation of the control procedures established to ensure compliance with the procurement policy, and shall be responsible for reporting back to the board.

ESTABLISHING A CREDIT CARD POLICY FOR THE VILLAGE OF ALLEGANY

It is common practice for local governments to use credit cards for the convenience of making phone or internet purchases, paying for employee travel expenses or small purchases of goods and services for official business of the Village of Allegany. Credit cards used by local governments include general purpose credit cards, vendor-specific cards and fuel cards. General purpose cards are frequently issued under the name of the local government in the name of a specified local official; vendor-specific cards are commonly issued in the name of the local government and usually include a list of authorized users; fuel cards can be location-specific cards or travel cards that can be used at any of the designated vendor's service stations.

Therefore, it is essential that the Village of Allegany maintain adequate internal controls over government-issued credit cards and payments made for related expenses are properly authorized and appropriate.

Policy and Procedures

- The Village of Allegany authorizes the use of government-issued credit cards by its officials and employees for phone purchases, internet purchases, travel-related purposes and for small goods and services as deemed necessary and feasible.
- The actual and necessary expenses shall be incurred in accordance with and subject to all laws, rules, and regulations applicable to municipal charges incurred by Village of Allegany officials and employees.
- The Village Clerk and/or Deputy Clerk shall have sole custody of the credit card(s)*. They will be stored in a cabinet in the clerk's office and the cabinet locked when the office is closed. A credit card will be

issued to an employee and recorded on a sign-out sheet (Exhibit A) by the clerk or deputy clerk as follows:

- date of issuance
- card issued
- purpose for issuance
- name of person card issued to
- employee card issued to must initial sheet

- Upon return of the employee, (s)he must surrender the card and the receipt (if card is used) to the Clerk/Deputy Clerk who will record the card as returned and place it in the cabinet. The invoice will be kept for future credit card statement reconciliation.

*For credit cards used for the purchase of village fleet fuel, vehicle specific cards will be issued. They will be kept in the vehicle at all times and used when fueling vehicles. A pin number will be assigned to each employee (multiple pin numbers will be assigned when an employee is working both DPW and Police). In order to fuel a village vehicle, the vehicle specific card must be used, and personal pin number and accurate mileage on the vehicle must be entered at time of fueling. Use of another employee's pin number is prohibited and such action will not be tolerated.

- Proper documentation must be submitted in order to support and reconcile credit card statements each month. Itemized receipts shall be signed and departmentalized by the purchaser as a means of reconciling the monthly statement.
- The Clerk and/or Deputy Clerk will reconcile the monthly credit card statements and prepare the voucher for payment. The departmental supervisor will sign off if approved.
- Upon receipt of the voucher, the board of trustees will audit the claim to verify that costs are supported by proper documentation. The charges should be deemed valid and proper municipal expenditures. If approved, the board will sign off and return to the clerk for processing and payment.
- Government issued credit cards shall be used for government purchases/purposes only and will be prohibited for personal use. Alcoholic beverages and other entertainment-related costs do not represent a proper use of public funds; therefor such expenditures will not be permitted.
- Any illegal, questionable, or unauthorized expense or improper usage of the credit card shall require repayment by the party incurring the expense.
- In the event of a lost credit card, the village official or employee must immediately contact the village Clerk/Deputy Clerk who will notify the card service in order to eliminate any unauthorized use.
- Failure to comply with this policy will subject an employee to disciplinary action up to and including termination.
